Dear DCS Family and Friends,

We have an exciting announcement to make. By God's grace, and through significant research, deliberation, and prayerful consideration, DCS will be offering **Ninth Grade for the 2009-2010 academic year!**

This is an exciting step for the growth and life of Dominion Christian School. As you know, we've been able to develop a solid Kindergarten-Eighth program based on the Grammar and Dialectic stages of the Trivium. Moving into Ninth Grade and beyond brings our students into the Rhetoric stage, where we really start to see the payoff and culmination of the Grammar and Dialectic stages.

There are many details and tasks that need to be worked out, but we have the right levels of interest and momentum to take this important next step in building a Classical Christian upper school.

One of the most important things you can do to help here is to **SPREAD THE WORD** about this development! We definitely would like to reach out to families with potential students and encourage them to submit applications.

While this decision is a significant step forward, the work is just beginning, so please contact Scott Robohn (email: scott@robohn.com, cell: 571-205-8358) if you're interested in assisting with many tasks that need to be completed. Please continue to pray, and **spread the word that DCS will have Ninth Grade in 2009-10!**

In Christ,

Scott Robohn for the DCS Board
